

# LUIS M. PINEDA

DATA ANALYST  
SOFTWARE ENGINEER

Data Analyst with proven teamwork skills and strong interpersonal abilities. I am a responsible, dynamic, and results-oriented individual, with a focus on achieving objectives. I am a fast learner with experience in data management and analysis, particularly with advanced proficiency in Excel and other analytical tools. I also have experience in report creation, data visualization, and process automation, allowing me to optimize workflows and add value to projects.
